Drug NDC: 00436-0936-16
Drug Name: DAKINS SOLUTION

How should I use this medicine?

This medicine is for external use only. Finish the full course prescribed by your doctor or health care professional even if you think your condition is better. Do not stop using except on the advice of your doctor or health care professional. Talk to your pediatrician regarding the use of this medicine in children. While this drug may be prescribed for selected conditions, precautions do apply.

Overdosage: If you think you have taken too much of this medicine contact a poison control center or emergency room at once. NOTE: This medicine is only for you. Do not share this medicine with others.

Where should I keep my medicine?

Keep out of the reach of children. Store at room temperature between 15 and 30 degrees C (59 and 86 degrees F). Throw away any unused medicine after the expiration date.

NOTE: This sheet is a summary. It may not cover all possible information. If you have questions about this medicine, talk to your doctor, pharmacist, or health care provider.

What should I watch for while using this medicine?

Tell your doctor or health care professional if your symptoms do not start to get better or if they get worse. Do not get this medicine in your eyes. If you do, rinse out with plenty of cool tap water. This medicine can make certain skin conditions worse. Only use it for conditions for which your doctor or health care professional has prescribed.

What is this medicine?

SODIUM HYPOCHLORITE (SOE dee um HYE poe KLOR ite) is an antiseptic. It is used prior to surgical procedures or for minor wound care to reduce risk of infection.

This medicine may be used for other purposes; ask your health care provider or pharmacist if you have questions.

What should I tell my health care provider before I take this medicine?

They need to know if you have any of these conditions: -an unusual or allergic reaction to sodium hypochlorite, other medicines, foods, dyes, or preservatives -pregnant or trying to get pregnant -breast-feeding

What if I miss a dose?

If you miss a dose, use it as soon as you can. If it is almost time for your next dose, use only that dose. Do not use double or extra doses.

What side effects may I notice from receiving this medicine?

Side effects that you should report to your doctor or health care professional as soon as possible: -allergic reactions like skin rash, itching or hives, swelling of the face, lips, or tongue -pain, redness, or irritation at site where applied

This list may not describe all possible side effects. Call your doctor for medical advice about side effects.

You may report side effects to FDA at 1-800-FDA-1088.
